Do you know how long it takes to be rescued and how to stay alive until you are? Attend this program and you will! Topics covered include: survival priorities, first aid, signaling, and survival kits. Attend for a chance to win a survival kit!

Directions: Malouf Science Building Room# 201, West side of main campus behind Science building, North of Giovale Library, south of Computer Lab/Shaw Center.

On I-80 in Salt Lake City, exit the freeway at 13th East. Proceed North to 1700 South. Turn West at the traffic light onto 17th South. Proceed to 1220 East and park in the college parking structure.

Message from the National Safety Program Manager:

The FAA, AMT's, Pilots and Safety all come together at faasafety.gov!

Sign up for the FAA's safety services
